January 20, 2020

Dear Congregants and Community Friends,

Our 2020 Scholar in Residence program will be held the weekend of February 21-23, 2020. This year, our program is in cooperation with our neighbor, Congregation B’nai Amoona.

In years past, our Scholar in Residence Program has included a wide array of distinguished speakers from around the country and world. This year is no exception--our scholars are Rabbanit Bonita (Boni) Nathan Sussman, Rabbi Jerry Sussman and Rabbi Capers Funanye, of Kulanu.org. Founded in 1994, Kulanu (Hebrew for "all of us") is a nonprofit organization dedicated to supporting isolated, emerging, and returning Jewish communities around the globe. A program schedule for this special weekend is included in this mailing.

The Adult Education Committee has always been appreciative of your financial support and presence at this program, and we are again reaching out for your assistance. We know there are competing demands for your dollars--please consider supporting the Scholar in Residence Weekend so we can continue to provide enriching learning experiences.

Please complete the attached donation and reservation form and return by the February 12th deadline.

We look forward to seeing you on February 21, 22 and 23.

B’Salom-

The Adult Education Committee
The Adult Education Committee invites you to help us continue our commitment to excellence in Jewish programming. Please support this wonderful and longstanding program with a generous contribution that enables us to bring outstanding speakers to our community.

Names__________________________________________ Email__________________________________________
